

#### **Flinn Scientific Appoints Jim Hulslander as Chief Financial Officer**

July 15, 2025 – Batavia, Illinois – Flinn Scientific, Inc., the nation's premier provider of K-12 science education materials and services, is pleased to announce the appointment of Jim Hulslander as Chief Financial Officer (CFO).

Located in Batavia, Illinois, Flinn Scientific serves more than 55,000 science teachers across nearly 27,000 schools and remains committed to championing hands-on science education.

With over 25 years of finance and operational leadership experience, Hulslander is a seasoned executive with a strong record of driving strategic growth, financial transformation, and operational excellence. His background includes expertise in strategy development, financial planning, operational scaling, and team leadership across a variety of sectors.

"Jim brings a depth of financial acumen and a proven track record of building scalable, high-performance teams—qualities that will be instrumental as Flinn continues its mission to empower educators," said Mac Gamse, Chief Executive Officer of Flinn Scientific. "We are excited to welcome his leadership as we enter our next phase of growth."

As CFO, Hulslander will oversee all financial operations, including accounting, reporting, budgeting, treasury, and audit functions. Reporting directly to CEO Gamse, he will collaborate closely with the senior leadership team to align financial strategy with Flinn's ambitious goals in laboratory services, digital science education, and international expansion.

"It's an honor to join Flinn Scientific at such a pivotal time," said Hulslander. "I share the company's passion for advancing science education and look forward to partnering with Mac and the team to drive sustainable growth and innovation."
